Recipe for: Chimichurri Shrimp Zoodles

INGREDIENTS

(SERVES 2)

- ½ lemon (both zest & juice)
- 1 tsp red chili pepper
- 1 yellow bell pepper
- 2 tbsp. parsley
- 1 pressed garlic clove
- 1/3 cup avocado oil
- Salt & Pepper
- 2 zucchini
- 16 peeled raw shrimp (8 per person)
- 1 lime for serving (optional)
- 1 tbsp. avocado oil

INSTRUCTIONS

Start by making the chimichurri. Rinse the lemon and remove the peel with fine grater. Juice lemon and add both the zest and juice to a blender. Slice the chili in half and remove seeds. Chop finely & add to blender. Add the bell pepper, parsley, garlic, avocado oil. Season with salt and pepper. Blend until coarse. Next, prepare the zoodles by slicing or spiraling the zucchini. Zoodles can be served raw or quickly sautéed in olive oil. Put shrimp on a skewer and brush them with the avocado oil. Grill or pan fry the shrimp for a couple of minutes on each side until a nice pink color. Grill the lime halves along side shrimp. Toss the zoodles with most of the chimichurri. Serve the skewered shrimp on the bed of zoodles, & top with remaining chimichurri dressing!
