Recipe for: Fresh Grilled Salmon

INGREDIENTS

(SERVES 2)

- 2 cups broccoli
- 2 tbsp. butter
- Salt & pepper to taste
- 1 lb. (16 oz.) salmon
- ½ lime (optional)

INSTRUCTIONS

Cut the broccoli into smaller florets and let simmer in lightly salted water for a couple of minutes. Make sure the broccoli maintains its chewy texture and delicate color. Once broccoli is drained, add butter and pepper to taste. Fry the salmon in butter, a few minutes on each side. The lime can be fried in the same pan or be served raw. This step can also be made on an outdoor grill. Once cooked serve salmon on bed of broccoli and enjoy!
