Mom’s Green Sauce

Ingredients:

- 1 cup mayo
- 1 jalapeño
- 1 lime squeezed
- 2/3 cup cilantro (about 2/3’s the bunch)
- 2 pinches of salt

1. If you don’t want much spice, take all the seeds out of the jalapeno. Leave some seeds or all for spicy green sauce.
2. Place all ingredients in a blender and blend.

This sauce can be used on everything! In photo we have green sauce with spaghetti squash, ground beef, tomatoes and avocado.

Also enjoy over breakfast eggs or over a dinner roast. We keep our green sauce in the fridge and eat it with EVERYTHING till it is gone.
