SOTA's Creamy Steak Sauce

Recipe will count toward your daily healthy fats

Ingredients:

- 8 Tbsp *Kerry Gold* butter, melted (1 regular sized butter stick)
- 1 small shallot, minced
- 5 chives, minced
- 3 garlic cloves, minced
- 2-3 Tbsp prepared horseradish (no sugar added)

Directions:

- Mix all the ingredients together until well combined.
- Let the sauce sit for 10 minutes and mix again. This will allow the butter to cool and thicken.
- Serve with your favorite steak!
- Store leftovers in the fridge and reheat in the microwave for 15 second intervals, stirring often, until melted!
