SOTA's Crushed Garlic Butter Steak Bites

Recipe makes 4, 4 oz of animal protein servings

Ingredients:

- 1 lb. (16oz) sirloin steak cut into bite size pieces (or your favorite steak cut)
- 1 Tbsp avocado oil
- 6 cloves fresh garlic, peeled and crushed
- Sea salt, to taste
- 2 Tbsp *Kerry Gold* butter
- 1 Tbsp fresh parsley, chopped
- 1 Tbsp chives, chopped

Directions:

- Heat the oil in a large pan over medium-high heat.
- Add the crushed garlic cloves and cook for 1 minute, until fragrant.
- Add in steak bites and sear each side until slightly brown, about 3-4 minutes on each side.
- Once the steak bites are done to your liking, reduce the heat and add in the butter. Stir to combine until butter is melted and nicely coats the steak.
- Season with sea salt and pepper.
- Top with chopped parsley and chives. Enjoy!
