INGREDIENTS

1 ½ lbs. sirloin or ribeye steak, thinly sliced

1 cup water

½ cup soy sauce

5-8 drops liquid stevia

3 Tbsp sesame oil

3 cloves of garlic

3 green onions, sliced thinly

1 Tbsp red pepper flakes

2-4 cups broccoli

DIRECTIONS

1. Add all ingredients, other than the broccoli to the cooker pot.
    - **Slow Cooker Temp:** Cook on low heat for 2 ½-3 ½ hours, or until tender.
      Broccoli: When steak is tender add broccoli and cook for and additional 20 minutes.
    - **Pressure Cooker Temp**: Cook on high pressure with the vent closed for 12 minutes. Use the quick pressure release.
      Broccoli While the beef is cooking, place broccoli in a microwave-safe bowl with 1/4 cup water. Microwave 3 to 4 minutes until broccoli is tender. (Or cook the broccoli your desired way.) Once meat is finished cooking add the broccoli into the meat and toss to coat.
