SOTA's Easy Veggie Wrap

This recipe makes 2 cups of vegetables

Ingredients:

- 3 large collard green leaves (aim for at least 6 inches wide)
- 1/2 avocado
- 1/3 cup shredded cabbage
- 1 cup butter lettuce, chopped
- 3 lime wedges

Directions:

- Trim off the bottom stems of the collard green leaves, just up to where the leaf starts.
- Wash the leaf in water and then place on a microwave-safe plate and microwave each leaf for 10 to 15 seconds.

ASSEMBLE THE WRAPS:

- Start with the leaf lying flat.
- Mash the avocado and separate it evenly between the 3 leaves.
- Add the cabbage, chopped butter lettuce and lime to each wrap.

ROLLING THE WRAPS:

- Fold the bottom part of the leaf over the stuffing.
- Roll the leaf down and around so it's hugging the stuffing, then fold the two sides of the leaf inwards.
- Continue to roll the wrap up. Enjoy!
