SOTA's Game Day Jicama Fries

Recipe makes 2 cups of everyday vegetables

Ingredients:

- 2 cups jicama
- 1-2 Tbsp avocado oil
- ¼ tsp garlic powder
- Salt, to taste
- Black pepper, to taste

Directions:

- Preheat the oven to 400°F.
- Peel the jicama and carefully cut it in half.
- Place cut-side down and slice roughly ½-inch thick pieces (this will keep the jicama stable). Continue slicing till they look like 'fries', keeping in mind that the thinner they are, the faster they'll cook!
- Add the jicama fries to the prepared baking dish, drizzle with avocado oil and toss around. Season with garlic powder, salt, and black pepper. Cook for 45-60 minutes until golden and crisp, tossing them about halfway through.
- Serve immediately & enjoy!
