SOTA's Herb Roasted Asparagus Air Fryer Style

Recipe yield: 1 servings
2 cup veggies + ½ Tbsp healthy fat per serving

Ingredients:

- 2 cups fresh asparagus, one bunch
- 1 tbsp avocado oil
- Salt to taste
- 1 ½ tsp Herbs De Provence seasoning
  (this is a spice mix containing basil, thyme, fennel, lavender and tarragon)
- Fresh lemon wedge (optional)

Instructions:

- Wash and trim the hard bottom ends off asparagus.
- Rub the asparagus with a small amount of avocado oil.
- Add the asparagus to the air fryer and sprinkle with salt.
- Cook for 6-10 minutes at 360˚F or until desired crispiness is attained.
- Monitor the asparagus closely after it has been cooking for 5 minutes, making sure you don't overcook it.
- Remove and drizzle fresh squeezed lemon juice over the asparagus.

-Great paired with an animal protein of your choice or enjoy with your SOTA product for lunch.
