SOTA's Mediterranean Grilled Chicken

Recipe makes 1-2 animal protein servings

Ingredients:

- 1 ½ Tbsp avocado oil
- 2 cloves garlic, finely minced
- 1 Tbsp fresh parsley
- Sea salt to taste
- Red pepper flakes to taste
- 2, 4 oz chicken breast (you may also substitute for chicken thighs)

Directions:

- Combine the marinade ingredients in a plastic bag with the chicken.
- Refrigerate at least 4 hours and overnight for the best results.
- Grill approximately 15 minutes each side until done (internal temperature 165 degrees). Indoor grill pan or BBQ will do the trick.
- Enjoy!
