SOTA's Oven Roasted Balsamic Asparagus

Recipe makes 1 vegetable serving

Ingredients:

- 2 cups fresh asparagus, ends snapped off (15-20 spears)
- 2 Tbsp avocado oil
- Sea salt and pepper to taste
- ¼ cup Kerry Gold butter
- 1 Tbsp soy sauce
- 1 Tbsp Walden Farms balsamic vinegar

Instructions:

- Preheat your oven to 400°F.
- Spread asparagus out on a large baking sheet. Drizzle with 2 Tbsp of oil and sprinkle with salt and pepper.
- Use your hands and toss to coat well. Make sure each asparagus spear has space to roast, if they are touching, they will steam instead of roast.
- Roast asparagus at 400°F for 10-13 minutes until tender. The spears should be bright green and not yet starting to yellow.
- Meanwhile, melt butter in a small skillet over medium heat. Stir in soy sauce and WF balsamic vinegar.
- Transfer asparagus to a serving plate and drizzle sauce over. Serve immediately.
