SOTA's Quick & Easy Collard Greens

Recipe makes 2 cups of vegetables

Ingredients:

- 1 large bunch of collard greens (about 2-3 cups)
- 1 Tbsp *Kerry Gold* butter
- 1 Tbsp avocado oil
- ¼ tsp sea salt
- 2 tsp garlic, minced
- Pinch of red pepper flakes, optional
- Lemon wedges for serving

Directions:

- Cut out the thick center rib of each collard green. Stack the rib-less greens and roll them up into a cigar-like shape. Slice as thinly as possible to make long strands.
- Heat a large pan over medium-high heat and add the oil. Once the oil is hot, add the collard greens and the salt.
- Continue stirring in 30-second intervals until the greens are wilted, dark green, and some are starting to turn brown on the edges (this is delicious). This will take between 3 to 6 minutes.
- Once the greens are just about done, add the garlic and red pepper flakes. Stir to break up the garlic and cook until it's fragrant, about 30 seconds.
- Add the butter and remove the pan from the heat. Serve immediately and enjoy!
