SOTA's Delicious Roasted Cauliflower

Air fryer style

Makes 4 cups of delicious veggies

Ingredients:

- 4 cups cauliflower (one large head)
- 3 tbsp avocado oil
- 1 tbsp garlic, minced
- ½ tbsp garlic
- 1 tsp salt
- 1/8 tsp pepper
- ¼ tsp paprika
- ½ tsp old bay seasoning

Instructions:

- Preheat air fryer at 400˚F for 3 minutes.
- Cut cauliflower into bite size florets and put in a bowl. Pour 1/2 of the avocado oil and mix/rub on with hands then pour on remaining oil and continue to mix it on making sure the cauliflower is lightly coated.
- Sprinkle on all seasonings and mix the florets gently with your fingers so every piece is coated.
- Put half the cauliflower into your air fryer basket, be sure they're not overlapping.
- Cook for a total of 15 minutes, flipping ever 5 minutes till crisp all sides.
- After cooking, repeat with then other half of the cauliflower and serve!
