SOTA's Tofu Lettuce Wrap

Recipe makes 4 servings of 4 oz animal protein
+ approximately ½ cup of everyday vegetables.

Ingredients:

- 1 lb (16 oz) of extra firm tofu, drained
- 2 Tbsp avocado oil
- 3 Tbsp *Kikkoman* soy sauce or *Bragg* liquid aminos
- 1 Tbsp apple cider vinegar
- 2 tsp garlic, minced
- ¼ cup red cabbage
- ¼ cup red peppers
- 1 head butter lettuce

Instructions:

- Heat the avocado oil in a pan over medium-high heat. Break the tofu into a crumbly mixture. Cook until browned, about 10 minutes.
- Stir in the soy sauce or aminos and vinegar. Cook for about 5 minutes. Stir in the garlic, red peppers, and cabbage. Cook for a few more minutes until peppers are slightly tender.
- To serve, scoop a spoonful of the veggie tofu mixture into the center of each butter lettuce leaf. Serve with additional soy sauce or chili garlic sauce if desired.
- Enjoy!
