SOTA STYLE WHOLE CHICKEN 101

INGREDIENTS

1 whole chicken (approximately 5lbs)

2 tsp sea salt

1 tsp pepper

½ tsp garlic powder

½ tsp onion powder

DIRECTIONS

This is a basic rotisserie chicken recipe. The chicken will be tender and juicy. You can make a number of different dishes with this beautifully cooked chicken.

1. In a small bowl mix together the salt, pepper, garlic powder and onion powder. (You can also use any of the SOTA approved spices, we like the Cajun seasoning or the Mexican spice seasoning.)
2. Coat the inside of the cooker with a small amount of oil.
3. Place the chicken on the bottom of the cooker and rub the salt mixture all over the chicken.
   - **Slow cooker:** Cook 3-4 hours on high or until a thermometer inserted reaches 165˚F.
   - **Pressure cooker:** Before cooking, add 1 cup of water to the bottom of the cooker. Cook on high pressure for 28 minutes with steam value closed. When cooking finishes let the pressure release on its own, this will take 20-30 min. (If you release the pressure you will suck all the moisture out of the chicken.)
